Subject: Request for Redo Opportunity in OOP Course Unit central test exam done 25/09/2025.

Dear Dean,

I'm writing to request a redo opportunity in the Object-Oriented Programming (OOP) course unit taught by Mr. Baranga Peter. Today, I experienced severe eye pain that made it difficult for me to participate in the central test exam.

As a visually impaired student, I'm particularly vulnerable to eye strain and discomfort. Unfortunately, my condition worsened today, and I was unable to perform well in the exam.

I kindly request a redo opportunity to demonstrate my knowledge and understanding of the course unit.

Please let me know if you need any additional information. I appreciate your prompt attention to this matter.

Thank you for your time and consideration.

Sincerely,
Mugume Felix
